18' NYKE Feather Banner

Materials: (Makes one banner.)

- 1.5 yards Blue
- 1.5 yards Yellow
- 1 yard white 200 denier flag-cloth

Cut List:

Blue Material

- Cut three strips 18"X54"
 - Cut one strip in half diagonally.
 - Cut one strip into three 18" squares.
 - Cut one 18" square from the last strip. (There will be an 18"X36" scrap.)

- Cut four 9"X54" strips.
 - Cut a 9" piece off one strip (this is scrap)
 - Cut one strip into an 18" and 36" piece
 - Cut one strip in half into two 27" pieces. (one is scrap.)
- There are five 'feathers' for use on the banner in sizes:

• On one end of each feathers measure in 3" on the bottom edge and cut diagonally from the top corner.

DO NOT BEVEL CUT THE 18" PIECE

Cut one strip 18"X54" (layout letters)
 Note: I used Souvenir LtBT 1250 pt for the font.
 This works out to be letters 12 ½" high.

Flag Cloth

• Cut four strips 8" X 60" wide.

Construction

Applique

- Trace out letters on yellow fabric.
- Center each letter onto one 18" square.
- Applique each letter. Trim / cutout back.

772ACE LETTERS FOR APPLIQUE HERE \[\rangle \times \foresign{\frac{9^{\text{"x}} \text{ Y}}{\text{ Y}} \rangle \foresign{\frac{9^{\text{"x}} \text{ Y}}{\text{ Y}} \rangle \frac{9^{\text{"x}} \text{ Y}}{\text{ Y}} \rangle \frac{9^{\text{"x}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{9^{\text{"x}} \text{ Y}}{\text{ Y}} \rangle \frac{9^{\text{"x}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{"x}} \text{ X} \frac{10^{\text{ Y}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ X} \text{ Y}}{\text{ SCRAP}} \] \[\rangle \frac{9^{\text{ X}} \text{ X} \frac{10^{\text{ X}} \text{ X}}{\text{ Y}} \text{ X} \text{ X

18"

Preparing the pieces

At this point you must decide whether you want a right handed or left handed banner.

- Begin by making a ¾" mark along the outside edge of the **backside** of each of the 18" square letter sections. Fold and crease the material to this line. (Creating a 3/8" fold)
 - Zig-zag down the edge of each of these pieces, creating a 3/8" single fold hem.
- Make a ³/₄" mark along the outside edge of the **backside** of each of the 18"X54" triangles. Fold and crease the material to this line. (Creating a 3/8" fold)
 - Zig-zag down the edge of each of these pieces, creating a 3/8" single fold hem.
- Make a 3/4" mark across the top and bottom of the **front side** of each of the 18" square letter sections. Fold and crease the material to this line. (Creating a 3/8" fold)

- Make a ³/₄" mark across the top of the **front side** of one of the 18"X54" triangles and along the bottom of the **front side** of the other 18"X54" triangle. (Creating a 3/8" fold)
- Make a ³/₄" mark across the top and bottom edges of the **backside** of each of the yellow feathers. Fold and crease the material to this line, then fold and crease material again onto itself. (Creating a 3/8" double fold)
- Make a ³/₄" mark across the outside edge of the **backside** of the 9"X18" yellow feather. Fold and crease the material to this line. (Creating a 3/8" fold)

Joining the pieces

- Begin with the 9"X18" section, use a zig-zag stitch to hem the outside edge of this section.
- Join this piece with the 18" square E section. Overlay the bottom of the E section onto the 9"X18" strip, by 3/8" and hot tack. Roll fabric onto itself, twice. Hold material flat and sew seam with a zig-zag.
- Use same technique to join the bottom edge of the K section to the top edge of the 27" feather. In hot tacking the pieces together, align the banner pole side corners together.
- Join the bottom of the Y section to the top 36" feather.
- Join the bottom of the N section to the top of the 45" feather.
- Join the bottom of 18"X54" triangle to the top of the 54" feather.
- Join the bottom of the 9"X18" section to the top of the 18"X54" triangle.
- Join the bottom of the 27" feather to the top of the E section
- Join the bottom of the 36" feather to the top of the K section
- Join the bottom of the 45" feather to the top of the Y section
- Join the bottom of the 54" feather to the top of the N section
- Mark ³/₄" along the backside of the end of each feather. Fold and crease the material to this line, then fold and crease material again onto itself. (Creating a 3/8" double fold) Use a zig-zag stitch to hem the end of each feather.

Banner is now assembled and needs to be finished.

- Join each of the four 8"X60" flag cloth strips, using a 3/8" french seam.
- Finish one end of strip using a 3/8" single roll hem. This will be the bottom.
- Fold strip in half and hot tack, attach to banner using a straight stitch 3/8" in from the outside edge.
- Double roll banner onto itself. Hold material flat and sew seam with a zig-zag.
- Use a straight stitch to close off pole sleeve at top of banner.
- Hot cut off excess.

Banner is complete.
